GENERAL POLICIES AND PROCEDURES

Sweet Briar College participates in the Federal Work-Study Program (FWSP) and administers that and its own work program.

- Undergraduate students enrolled for at least half time (6.0 hours) are eligible for campus employment. Graduate and fifth (5th) year students must apply for employment through the Sweet Briar College Human Resources Department. All positions are part-time through the academic year. Students may work no more than 20 hours per week.
- All students are eligible to work on campus, but first priority for jobs is given to students who qualify for need-based assistance. These students are sent a campus student employment form to complete and return to the Financial Aid Office. All work-study eligible students are required to complete this form.
- All available campus positions are advertised through CSE. If you are having trouble obtaining a job once you have arrived on campus, please contact Campus Student Employment immediately.
- All students must show proof of US citizenship within three (3) working days of beginning employment. A list of documents necessary for verification of citizenship can be found at the U.S. Citizenship & Immigration Services website (**www.uscis.gov/i-9-central**).
- Students are paid biweekly for the hours they work. All students paid hourly are required to report their time by Web Entry and have it approved by their supervisor biweekly. Students paid by stipend will need to consult their supervisor. It is an Honor Code violation to not report worked hours or to misreport hours in any way. Direct Deposit is available through the College and recommended to all working students.
