Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with your 2016 federal tax information. If there are differences, your FAFSA information may need to be corrected and corrections could affect the student federal eligibility. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Sweet Briar College Financial Aid may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

## WHAT HAPPENS AFTER I SUBMIT MY INFORMATION?

Once you begin submitting documentation, the Financial Aid Office will:

1. Review documents to be sure they are complete
2. If the documents are incomplete (missing signatures, questions left blank, etc.) or raises additional questions or discrepancies for which we will need clarification, we will request that the documents be resubmitted or requests additional documentation.  
NOTE: Requests for missing information will show up in your MySBC account.
3. Once all documents are complete, the Financial Aid office will review the information and compare it with the information reported on the FAFSA.
