SBC Outdoors Apprentice Program

Application

The SBC Outdoors Apprentice Program is designed to identify individuals who are interested in potentially becoming SBC Outdoor Program Instructors and developing the necessary skill sets to make them strong candidates for the position. The program aims to develop the Apprentices’ technical skills through observation and peer mentored guidance, practice judgment and decision making through reflection, build experience with group management, and expose apprentices to the processes and policies of the SBC Outdoor Program.

Name: 

Email: 

SBC PO Box: 

Phone Number: 

Anticipated Year of Graduation: 

Are you enrolled as a full time student and maintain a GPA of 2.5 or higher? (Circle One) Yes No

Are you able to commit 2 hours a week to Apprenticing with the Outdoor Program? (Circle) Yes No

Which of the following SBC Outdoor Program trips have you participated in this semester and/or last year? Please make note of date or semester attended.

<table>

</table>

On a separate sheet of paper, please submit your typed, short answers to the following questions:

1. If you have attended an OP trip in the past, what did you enjoy the most about the experience and what would you have changed?
2. What do you hope to gain from the SBC Outdoors Apprentice Program?
3. What attributes do you have to contribute to a team?
4. What outdoor activities do you enjoy the most? The least?
5. If any, what are the challenges you anticipate? Any questions you have? Any reservations you have?
6. What do you value in a leader?

Please return completed applications to the OP by emailing the application to sbcoutdoors@sbc.edu or dropping them off in the folder on the OP office door. Due by Friday, January 31, 2020 at 5pm. You will receive an email to schedule an interview within the first week of February.
